The Board consists of five members including the Marshal of the Mazowieckie Voivodeship who is the Chairman of the Board, two Vice-marshals and two Members of the Management Board. Members of the Board cannot hold at the same time the positions of M.Ps., senators or members of the bodies of other territorial self-government units. They also cannot work in government administration.

The Sejmik chooses the Management Board of the Voivodeship, including the Marshal (with absolute majority of votes of the statutory Sejmik's composition, voted by ballot) and no more than two Vice-marshals (on the motion of the Marshal, with a simple majority of votes in presence of at least half of the statutory Sejmik's composition, voted by ballot) within 3 months since the announcement of the election results by the proper election body. The Marshal, Vice-marshals and other Members of the Board can be chosen from outside of the Sejmik of the Voivodeship.

The Management Board carries out its tasks with use of the Office of the Marshal and voivodeship's self-government organizational units or the voivodeship's legal entities. The rules and the order of the Management Board of the Voivodeship functioning are specified in the voivodeship's statute.

After the termination of the Sejmik's tenure, the Management Board functions until the day of election of the new Board. The Marshal of the Voivodeship organizes the work of the Board as well as of the Office of the Marshal. He/she manages current matters of the voivodeship and represents the voivodeship on the outside.
